Dear Mrs. Nunley:

Thank you for your letter of December 12th. It was so nice of you to write and tell of the wonderful accomplishments of Sharon Crowell. We know of her good works, but love to hear from someone like you about all that she has done.

I was delighted to hear of your son David's wonderful progress. It is a wonderful accomplishment to be able to walk across the YMCA pool on his own. I am sure that you and he are very proud.

It is people like Sharon that make the YMCA such a great association. The "real action" of the YMCA doesn't happen here in Chicago or in the offices of the YMCA of the USA. It happens when people like Sharon care enough for another human being to reach out and care about them.

Again, thanks for sharing your warm feeling for Sharon. We will all miss her in the YMCA.

Sincerely,

Ron Kinnamon
