Dear Mr. and Mrs. Nunley:

Thank you for copying me on your June 23, 2003, letter to the Governor outlining the situation you were facing with regard to your son, David's, social security.

Upon receiving your letter, I contacted Barbara Kendrick of the Governor's constituent relations office to see how they would be responding. I missed her and left a message. Late July, I received a copy of Penny Black's letter to you indicating the matter had been cleared.

I appreciate your bringing me into the loop in this regard. With this letter I am following up on this matter, to be certain things have worked out to your satisfaction. If so, I will close your file. I look forward to hearing back from you.

Sincerely,

A handwritten signature in black ink, appearing to read "James A. Clements", written over a faint circular stamp.
