**Fighting for David: One Mom Never Gave Up**  
 By Mary Beth Sammons

It's a universal longing. Every mom wants to hear others speak positively about her child. "She's beautiful." "He's adorable." Star student. Athletic. Funny. Sensitive. Charming. These are the words we want to hear.

"Vegetable," as in "he will be a vegetable and in a permanent vegetative state his whole life," are words that knocked Leone Nunley to the ground.

But not for long. [Read More >](#)
