Dear Mrs. Nunley

Thank you so much for your involvement with our Life Initiative Family Training that was held at Central Washington University on April 16<sup>th</sup> and 17<sup>th</sup>. The LIFT was a big success! We have strengthened many links between our organization and resources available in the Ellensburg / Yakima area. You may begin to notice more involvement from our organization in that part of the state.

The Life Initiative Family Training was well received by all participants. Your participation was instrumental in that success. Thank you for taking the time to make your presentation ("Family Involvement in Recovery") to the very deserving group of people gathered at CWU this past weekend. We hope we can count on you again to speak at another LIFT or other BIAWA function.

With Sincere Appreciation,

Tracy Bruce Laughlin
